YOUR SUPPORT HELPS US TO DEVELOP THE FOLLOWING AREAS:

Exhibitions

We present a wide variety of temporary exhibition of the work of major artists such as Joseph Beuys, Tony O'Malley, Dorothy Cross and Lucian Fried.

The Collection

The IMMA Collection comprises some 4,500 works and has been developed through commissions, purchase, donations and long-term loans.

The Museum's Collection is made up of the Permanent Collection, the Musgrave Kinley Outsider Art Collection and the Madden Arnholz Collection.

Education and Community Programme

This programme aims to foster an increased awareness and understanding of the visual arts by creating innovative and inclusive opportunities for people to engage with the Museum's exhibitions and programmes. It also encourages meaningful exchanges between artists and the public.

Artists Residency Programme

The Artists Residency Programme is a studio / residency programme at the Museum. The programme offers opportunities for artists to research and develop their work practice and is open to artists of all nationalities working in any medium.

National Programme

The National Programme promotes the widest possible involvement with the Museum's Collection and programmes through creating access opportunities to the visual arts in a variety of situations and locations in Ireland.

We keep Members informed through our special e-newsletter and on the Members Page at www.imma.ie.
